Olivia Brandt

Machine Learning Engineer

olivia.brandt@example.org | +49 30 1234 5678 | github.com/obrandt-demo

SUMMARY

ML engineer focused on retrieval-augmented generation and LLM applications, with 5 years of experience shipping models to production.

WORK EXPERIENCE

Machine Learning Engineer

Vertex Robotics, Berlin

Mar 2021 - Present

- Built RAG pipelines with LangChain and pgvector
- Fine-tuned transformers with PyTorch and Hugging Face

Research Engineer

Open Lab Demo, Berlin

Sep 2022 - Aug 2023

- Experiments on NLP benchmarks with spaCy and NLTK

Data Engineer

Datenfluss GmbH, Munich

Jul 2019 - Feb 2021

- Built ETL jobs with Spark and Airflow on GCP

EDUCATION

MSc Computer Science — Technical University Demo of Berlin, 2017 - 2019

SKILLS

Languages: Python, SQL, C++

ML: PyTorch, scikit-learn, Hugging Face

Cloud: GCP, Docker

PROJECTS

Resume screening assistant

- Semantic search over CVs with sentence embeddings and FastAPI

LANGUAGES

English (fluent), German (C1)

CERTIFICATIONS

- TensorFlow Developer Certificate
